VX 675**

# Verifone VX 675

## A smart terminal that puts convenience and security at your fingertips

With the OVVI Pay Verifone VX 675, the world's smallest, all-in-one, wireless hand-held payment device, your business will take payment acceptance to the next level. Incredibly advanced, sleek and elegant, the VX 675 is ideal for pay-anywhere, anytime environments.

Your customers will appreciate a seamless contactless payment experience through a dedicated card-reader zone and faster transaction flows. You will appreciate its ease of operation and large 2.8-inch colour display. The Verifone VX 675 provides a best-in-class user experience thanks to a rich interface and wealth of security features.

- **Advanced Security** - End-to-end encryption technology, multi-level user password management and the latest PCI compliance help secure transactions and reduce your PCI scope
- **Ease of Installation** - Enjoy quick, seamless set-up or pairing with your existing point of sale system, reducing set-up costs and resources
- **Superior User Experience** - Facilitate data entry using fingers on the highly durable, colourful display. Optional external PIN pad allows customers to make payments easily without passing the terminal back and forth
- **Future-Proof Your Business** - Simplify access to the third-party applications you use to position your business for future growth

### Features:

#### Abundant Payment Options

- EMV chip and PIN, magstripe and contactless
- Acceptance for all major debit and credit card types
- Supports digital wallets, such as Apple Pay®, Google Pay® and Samsung Pay®
